

Suggested Pitches to Be Used As Conversation Starters to Introduce RP3 to Your Market

1. Hi there, I wanted to reach out to you because I know you've shared with me the results you've experienced with Trévo. And, I'm excited to let you know that we have officially launched our first global product since the ever popular Trévo, it's called RP3 by Trévo. RP3 is an all natural product we've specially formulated to male performance, all in a healthy way. I'd love to share more information with you about how this could add fuel to your fire in a way that your partner will notice. What sort of information would you be most interested in hearing?
2. I know how much you love Trévo, and recently my company has announced the launch of a brand new product called RP3 by Trévo. The product is blowing the minds, and lives, of our male customers of all ages. It was created to enhance male performance, and provide a boost of energy. Not to mention, the benefits their partner will get! All in a natural, healthy way. I'd love to provide you with more information on RP3 and how it can help you take off.
3. Hey! When we previously discussed you using Trévo, I know you had questions and were going to think about it. Well, I wanted to follow-up and let you know about our newest product, which is one I think you may love! It's called RP3 by Trévo and is a powerful male performance product. It's been formulated with all-natural products that work to boost libido, performance, and energy. Plus, when used with Trévo, you get so many more benefits! Let me know what other information I can send over to you or when there's a good time for us to speak further.
